

## Prayer at St Nicholas

Members of the Prayer Team are available in the prayer corner to pray with you during the administration at all communion services.

Prayer for the 10am service takes place in front of the organ at 9.50am – all are welcome to join for this.

Prayer can also be requested by putting a card on the prayer board. Please ask permission of the person concerned before adding a name to the board.

### Lifts to church - Help Needed

We have had a number of new people coming along to church who need lifts, so it is difficult for our current drivers to cover them all.  
If you feel that you could offer to help give lifts to and from church once in a while, please have a word with a member of staff or Keith Nicholls.

### Data Protection - Time nearly up!

As you may have realised from other sources, the laws concerning Data Protection are changing. For that reason there are new GDPR Data protection permission forms at the back of church. If you want to be on our contact lists and want to be informed about anything, you MUST fill the form in or your data will be deleted from our records on 25th May and we will have no way of contacting you. This is for everyone, no matter how long or how short a time you have been a member of this church.
